## Message from Founder

Established in 2006, Manonmani Trust envisions inclusive and integrated development with an emphasis on community. It focuses on elder care, health and education for holistic community-building.

The flagship project of Manonmani Trust is Anbagam, a senior home in Thirukandalam village at Tiruvallur district. It endeavours to make elders self-sufficient and cognizant of their self-worth. The shelter also admits women and children who are victims of domestic violence.

An integral part of its experiment lies in encouraging interaction and engagement between elders and the youth, to revive traditions, culture and values between the two demographics. When aged persons are constrained to move to an old-age home, they suffer severe emotional distress and trauma. They feel stripped of their self-worth and dignity. Manonmani Trust's experimental model has volunteers interacting with aged inmates, thereby helping their lives get better while the youth benefit from the "wisdom of the aged". Through family counselling, Manonmani Trust has also been able to help reconcile elderly persons with their families. The focus is clear: do not institutionalize the needy, but support them and integrate them through counselling.

Manonmani Trust is cognizant of its footprint in the neighbourhood and has been devoting its time and energy to integrated community development. It has conducted a demographic survey, with the assistance of trained social workers, to understand in a bottom-up manner, the needs of the village.

The Trust has started a free tuition centre that around 60 students attend after school. In addition to a part time teacher, residents of Anbagam also volunteer at the tuition centre to teach the students. During COVID-19, underprivileged children faced a great disadvantage as they could not afford to partake in and benefit from e-learning offered in schools. In order to assist them and ensure that their education is not disrupted, Manonmani Trust has procured 45 tablet computers and a Personal Computer and conducts classes using these resources. A decent library has been set-up for the children's use.

Manonmani Trust helps with monetary assistance to deserving students from underprivileged backgrounds. Sathu Mavu Kanji is served to all students and residents every evening to supplement the nutritional needs of the children and the residents of Anbagam.

Manonmani Trust also conducts human rights training programmes for government school children across various districts in the State and conducts capacity building programmes for NGOs. The Trust provides uniforms and infrastructure support to Panchayat schools. The students also attend the Constitutional Rights Program Conducted by Vaan Muhil in collaboration with other NGOs.

All the above have been made possible by friends, relatives, social clubs and corporates that have supported us generously through thick and thin. A big thanks to one and all.

The day is celebrated to spread awareness about the importance of senior citizens in our society, to make certain the benefits of elder persons in our lives. Senior citizens carry a lot of responsibility on their shoulders as leaders of the society. They also carry the traditions, culture of the society and pass on the knowledge to the younger generation.

Tiruvallur Collector Mr.Alby John visits Anbagam and presents Thirukural to some children. Interacts with all residents.

As the schools were closed, and the under privileged rural children had no access to even smart phones or the like for continuing their education, they were all confined to their homes or went out to eek their livelihood in the nearby farms. To overcome this, with the generous donations of playback singer Mr.Karthisk, Mr.Balaji Sampath of Aid India / AhaGuru, Makkal Kalvi lyakkam and Mr.Vijay Sappani, a renowned Toronto-based political and community activist we have got 40 Lenova Tablets for the use of the school children. A computer and printer was purchased out of the generous donation of M/s Hunter Dougglad India Pvt. Ltd. A decent library has been built up with books donated by Dr.Vasanthi Devi, Mr.Umanath @ Vizhiyan and others.

### Preparedness for Covid:

Thanks to strict following of protocols and the support of many not a single resident of child attached to our Tutorials at Anbagam was affected by Covid. We thank the TN State Health Workers administered vaccines to our residents. KMC Chennai Alumni Association consisting of doctor a Covid Kit to face any emergency in case of need. Rotary, Chenna Patna donated an Oxygen Concentrator.

Manonmani Trust has always been coordinating and working with various organizations. One of the foremost coordinates of our Trust is the Inner Wheel Club of Madras Fort. They have contributed generously to the building fund of Anbagam. The Inner Wheel Club of Madras Fort's President Ms.Komal visited Anbagam on 4<sup>th</sup> October, 2020 with some members of the Club. They gave dresses, provisions, pain balms for the residents and tree saplings and seeds for the Trust. More than all, they sponsored that day's lunch and took time to interact and have lunch with the residents of Anbagam.

Remembering our freedom fighters and having a person from the freedom fighter's family spend a day with the residents in Anbagam was joyful for the residents of Anbagam. On the birthday of Late P.Ramamurthy, ex-MP and freedom fighter, his grandson Mrinal Shankar and his wife Rani visited Manonmani Trust's Anbagam and had special lunch with the residents there.

Covid-19 was an unprecedented havoc on our society. At a time when we were all confined to the four walls of our home with only emergency workers doing work risking their lives. At that hour of crisis, Manonmani Trust rose to the occasion to contribute its might to the public health facility of the Government Kilpauk Medical College and Hospital to donate six oxygen concentrators. Towards this initiative of the Trust, we used the funds contributed by the Class of 1969 of Vidyodaya Girls High School, Advocates practicing the Madras High Court, Alumni of 1978 batch of Madras Law College, Mr.P.T.Elangovan and the amounts received through the bail orders passed by Hon'ble Mr. Justice Jagadish Chandra.

Mr.P.T.Elangovan, was a great supporter of Manonmani Trust and its activities. He and his wife Ms.Priyalakshmi had contributed so much to the construction of Anbagam premises that the dining hall has been named as Priya Elangovan Hall. Unfortunately Mr.P.T.Elangovan breathed his last on 20<sup>th</sup> March, 2022.

Collector Dr Alby John on Thursday visited the village of Tirukandalam in Tiruvallur and called on Roja, the 32-year-old homemaker who takes free tuition and digital education classes for underprivileged children at the village. Express on June 28 carried the story of Roja, who is also the village's first woman graduate and wants to help more girls from her village pursue higher education.

During the visit, the collector handed over copies of Tirukural to the teacher and a few students. Speaking to Express, John said that he had come to a nearby village for agriculture inspection and decided to visit the nearby Tirukandalam as well. "Roja's efforts are laudable. She is doing a great job and the students are very smart," he said.

Canada-based entrepreneur donated 25 tablet computers, worth Rs 2 lakh, to underprivileged children in a remote village in Tiruvallur district on Saturday. He donated the gadgets after seeing a story Express published, highlighting how the village's first woman graduate was taking free tuition classes for underprivileged children in Thirukandalam village.

Canada-based entrepreneur Vijay Sappani, who is currently in Chennai, visited Thirukandalam and handed over the devices to NGO Anbagam, from where the tuition classes are held. "Girls are the worst affected anywhere in the world, and we run a foundation to empower girls to receive higher education and gain equality in society. I saw this story and decided to donate what's required for the students," he told Express.

Sappani, who runs an international foundation to provide education support and scholarships to girls, said the students and teachers in Tirukandalam are doing a good job, and his foundation wants to support them. "Continuity in education is important. So, we donated 25 Lenovo tablets and also are going to donate books and computers later," he said.

He added that the foundation would help get scholarships for girls pursuing higher education. "Girls going to college will break a lot of barriers and this will empower them. We will visit the village again and help them," he said.

Mother India's Crochet Queens (MICQ), Manonmani Trust, and Rotary Club of Madras Chenna Patna (RCMCP) have come together to provide job opportunities for underprivileged women from rural areas by providing vocational training. RCMCP's past president and vocational services director K Vallekkannu approached MICQ and Manonmani Trust. Sudha Ramalingam of Manonmani Trust and Subashri Natarajan of MICQ were forthcoming in helping beneficiaries.

More than 40 rural women and school students have enrolled to learn crochet at Manonmani Trust's Anbagam at Thirukandalam Village in Thiruvallur District. "Most of the women, here go for plucking jasmine during the day time. Realising that crochet training would generate additional income, many women and children joined the programme," said D Saraswathi Varadarajan, a trustee of Manonmani Trust.
